Company profile

Ningbo QE International Trading Company is located in the heart of one of China's busiest port cities, Ningbo.

The city is situated in the northeastern part of China, in Zhejiang Province. This province is home to many state of the art manufacturing companies.

Our company deals only with the best manufacturers in China. This allows us to bring the consumer, a diverse range of high quality products, at very competitive prices.

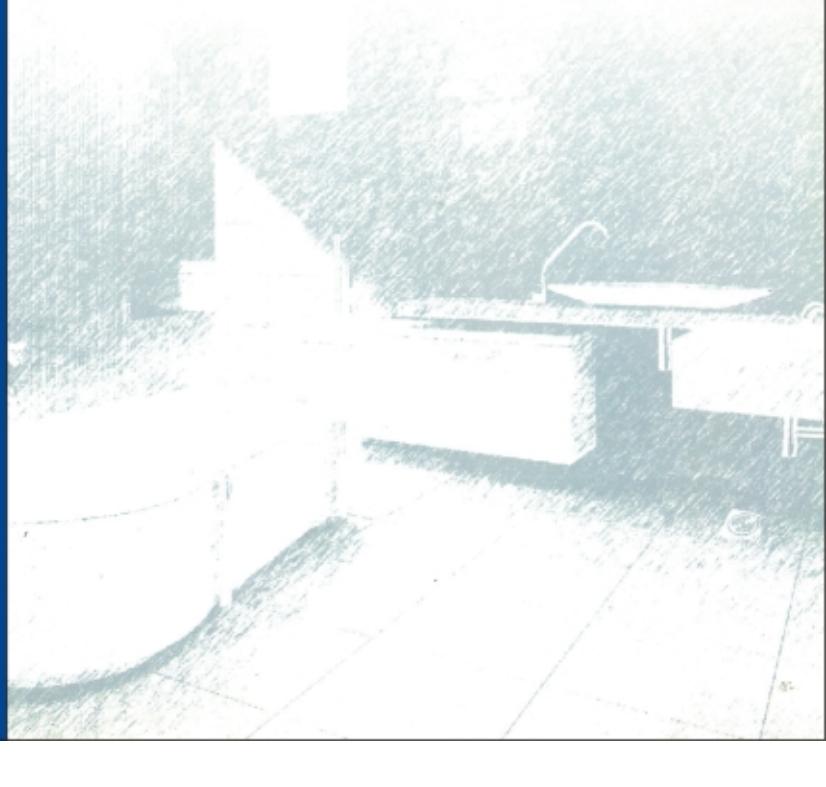

The products in our catalogues, have been tried and tested in European and North American markets, thereby gaining the confidence of consumers world wide.

In today's global world you can be sure that Ningbo QE International Trading Company is your best source for all of your commercial and residential needs.
